

EDUCATION

Bachelor of Fine Arts | Game Design

- ◇ New York University, Tisch School of the Arts
- ◇ Graduation Date: May 2022 | GPA: 3.82

WORK EXPERIENCE

Game Rant | Features Writer (Feb. 2023 - Present)

- ◇ Working to produce feature articles on pertinent topics in gaming.

Off Colour Org | Remote Contributor (Feb. 2020 – Feb. 2023)

- ◇ Contributed reviews and think-pieces on media art forms, putting emphasis on the topic of representation for minority audiences.

PROJECTS

What Comes Before (Unity) | Writer, Narrative/Game Designer

- ◇ Wrote character dialogue, item interaction, and environmental description; contributed to gameplay design documents.
- ◇ QA tested project; documented bugs, reviewed playtesting data.

Cryptid Companions (Ren'Py) | Writer, Narrative Designer

- ◇ Wrote 80+ pages of script for character dialogue.
- ◇ Concepted game scenarios, provided direction for necessary art assets.
- ◇ Contributed to supplementary documentation (strategy guide, design documentation, game presentation).

An Occurrence at Owl Creek Bridge Adaptation (Twine) | Writer

- ◇ Adapted the original source material to a shift in character perspective.
- ◇ Used poetic-like passages with the inclusion of text effects, gradient backgrounds.

Lost Memory (Twine) | Writer, Game Designer

- ◇ Worked in a group of two to create an interactive game teaser inspired by Christopher Nolan's *Memento*.
- ◇ Included text effects and game tracking variables to heighten experience.

Undertale: A Date with Papyrus! (Unity) | Writer, Project Manager, SFX Designer

- ◇ Managed a team of three over a five week project; used Trello to assign tasks for alpha, beta, and gold versions of game.
- ◇ Wrote dialogue and created SFX inspired by source material.
